

Spring has finally arrived and Arthrofarm Services wants to celebrate. It's that time of year when you can't wait to get outdoors and we're sure your healthy pets feel the same way.

Why don't you join us in our efforts to keep green and take advantage of our Spring promotion. We have some new tote bags plus a few extra items to give away.

For the month of May, or while quantities last, your distributor will ship a "Cartrophen Blue" tote bag with each vial of Cartrophen Vet purchased.

Distributor Codes:

AVP – 8630100 / CDMV – 12372 /

MVP – 8710004 / VIE ET SANTE – 006001 /
